

## City Council Refuses To Accept Contract for Water Plant Addition

The Harrisburg City Council yesterday by unanimous decision voted not to accept the Triangle Construction Co. contract for the water plant addition project.

The same motion gave authority to negotiate with the company on the matter to see just what could be worked out.

Rejection of the contract was on the grounds that the contract has not been completed.

Engineer George Sodemann of Champaign, who drew up the

plans and specifications for the job, accepted the project as complete a few days ago, a letter read yesterday to the council revealed. However, it was pointed out at yesterday's meeting, the addition is still leaking despite the work that has been done on it.

Triangle has insisted all along that it followed Sodemann's specifications to the letter.

Because of the situation, the city has not yet paid \$16,447.80 to Triangle and more than \$2,000 to Sodemann which are balances on the project work.

### No Bids for Police Car

The city, in an effort to stop the addition from leaking, described as being caused because the new concrete shells are settling and bracking away from the old concrete, has hired R. R. Brown of Harrisburg to put in rods to attempt to hold the old and new concrete together, and to install one new plaster.

The council a couple of weeks ago advertised for bids for a new police car, to be opened yesterday, and no bids showed up. One dealer wrote an explanatory letter saying he had no suitable vehicles for a police car in the 1956 line and that it would be a while before a 1957 model would be available.

The council accepted the report of Police Magistrate Vern Joyner Jr., which listed the city's share from fines collected during September as \$465.

### '55 Coal Report Shows Causes of Mine Accidents

COAL (CONT.): Yesterday this column dealt with coal production, the figures taken from the Illinois Coal Report for 1955. Delving farther into this book reveals information about coal mine accidents.

Big news for Saline county is that there were no fatal mine accidents in Saline county mines during 1955, a fact that was reported in the news columns months ago.

There were 18 coal mining fatalities for the state as a whole, 15 of them occurring underground and three on the surface.

Underground fatality causes were given as follows:

Fall of roofs and slides, 8; haulage, 4; by electricity, 1; by explosives, 1; by other causes, 1. On the surface one was killed by machinery, two by railroad cars.

There were seven fatalities in Franklin county, three in Williamson, three in Christian, and one each in Marion, Knox, Montgomery, Jefferson and Randolph counties.

By occupation, the 18 killed in 1955 were listed like this: Airdox shooter 2, belt cleaner 1, bottom laborer 2, car dropper 2, driller 1, laborer 2, loading machine helper 2, loading machine operator 1, mine superintendent 1, motorman 1, recovery man 1, shuttle car operator 2, truck driver 1.

There were 38 non-fatal accidents in Saline county mines, and they occurred as follows: Sahara 5, 17; Peabody 43, 8; Sahara 16, 7; Sahara 6, 4; Saxton 1; and Pioneer (non-shipping) 1.

The Report reveals that the year in which the largest number of men lost their lives in Illinois coal mines was 1910, when 406 died. That year 65 died in falls of roofs and slides, 20 in gas explosions, 23 in haulage, three by electricity, 17 by explosives and the huge figure of 258 by "other causes" underground. Of the 18 killed on the surface, three fell down the shaft and six were killed on the cages.

Biggest year for deaths in gas explosions was 1947, when 141 lives were lost, followed by 1951 when the big West Frankfort explosion made the toll 119.

There have been no gas explosion deaths since 1951. And only three have been killed in cages since 1931—one in 1934, one in 1940 and one in 1948.

The year 1904 was a record year for men being killed in falls down a mine shaft. The figure was 10 Mine deaths from this cause since 1948 have totalled three—all in 1954.

## Chicago Doctor Outstanding Illinois Physician

Dr. Robert R. Mustell

CHICAGO — Dr. Robert R. Mustell, Chicago, was selected Tuesday by the Illinois Medical Society as the outstanding general physician of 1956 in Illinois.

Mustell was the first big city doctor ever accorded the honor by the society.

Dr. F. Lee Stone, society president, cited Mustell, 63, for "countless hours spent outside his regular practice in organizing, developing and supervising the doctors emergency service of the Chicago Medical Society."

## Gov. Stratton To Testify

CHICAGO — Gov. William G. Stratton prepared a detailed account today of his actions in the Orville E. Hodge scandal which shook the Illinois political scene.

Stratton will tell the U. S. Senate Banking and Currency Committee Thursday how he dealt with Hodge, the ex-auditor now serving a 12-15 year term in the state penitentiary for embezzling one million dollars from the state treasury.

Stratton, campaigning for re-election on the Republican ticket, has been criticized by Democrats for his handling of the Hodge affair.

In a telegram to Acting Committee Chairman Sen. John Sparkman (D-Ala.), Stratton suggested he be allowed time to make a full statement, in lieu of the "instrumental part I played in removing him from office and sending him to the penitentiary."

Stratton also emphasized he would tell the details of a meeting he held with Hodge the day the auditor resigned from office and quit the race for re-election on the GOP slate.

No committee hearings were scheduled today.

## Local Elks Ritual Team Initiates Murphysboro Class

Ritual team members of Harrisburg Lodge No. 105, B. P. O. Elks, traveled to Murphysboro last night to initiate a class of candidates for Murphysboro Lodge No. 572, and their efforts were very well received.

The local Elks ritual team, composed of the officers of the lodge, conducted the initiation at Murphysboro to help gain experience for the Elks' South District ritual contest this winter. The event marked the first time a Harrisburg team had initiated a class at another lodge in six years. Attending the initiation were Eugene Schierle, vice-president at large of the Illinois Elks Association, Exalted Ruler Vern Joyner Jr., Esteemed Leading Knight John R. Small, Esteemed Loyal Knight Owen Hunsinger, Esteemed Lecturing Knight Marion Bradley, Esquire Richard Webb, Chaplain Wayne Dixon, Inner Guard Floyd Jones, and Tiler Howard Logsdon, all officers of the Harrisburg lodge.

## Public Response to H-Proposal Fans Political Fires of Both Parties

### Stevenson Plan Draws Rebuttal from Nixon, Dulles, Dewey

By United Press  
Scientific and public response fanned the political fires of both parties today into major debate on Adlai E. Stevenson's pledge to strive for world agreement to end H-bomb tests.

Stevenson's promise to negotiate at any place and at any level if he is elected president brought his biggest fan mai of the campaign.

His proposal drew immediate rebuttal from Vice President Richard M. Nixon, Secretary of State John Foster Dulles and former GOP presidential nominee Thomas E. Dewey.

Hundreds of telegrams, including numbers from scientists of international reputation, poured into Stevenson's Chicago campaign headquarters and his home in Libertyville, Ill.

Physicists Approve Plan  
Five physicists at the Argonne National Laboratories, Lemont, Ill., telegraphed Stevenson that nuclear physicists "firmly believe your plan far from being 'catastrophic nonsense' is workable, wise and in the best interests of the United States."

Nixon had used the phrase, "catastrophic nonsense," in condemning Stevenson's plan. The President made passing reference to the proposal in a cam-

paign talk at Minneapolis Tuesday. He asked whether "these politicians" were blind to administration efforts to dedicate atomic power to peace.

Dulles told news conference that "if there is an effective way to control and limit the use of these bombs then we will find it."

In Flint, Mich., former New York Governor Thomas E. Dewey, said Tuesday night "the whole free world could be crushed" if the Stevenson proposals are followed.

### President Starts Tour

The President started today a three-day campaign for the three Pacific Coast states' 47 electoral votes and three Senate seats.

Mr. Eisenhower speaks tonight in Seattle on what his aides called a "national theme." But the address will only be carried over Washington, Oregon networks.

The speech will presumably aid hard-pressed Gov. Arthur B. Langlie of Washington and former Interior Secretary Douglas McKay in their uphill battles to unseat Democratic senators in Washington and Oregon.

Nixon toured upstate New York today and will speak on civil rights tonight in a nationally televised quiz with college editors.

## Alert Teacher Leads Pupils from Building Blast

GREENUP, Ky. — An alert school teacher became suspicious Tuesday when she saw a damaged lock on her one-room school and led her 41 pupils away just before the building blew up.

Mrs. Juanita Gullepp had headed the children back to the highway when a dynamite blast flattened the Upper Alcorn schoolhouse about six miles west of here.

No explanation of the blast was offered by police but they said half a case of dynamite was reported stolen from a nearby mining camp.

## Sohio Conducts Tour of Area Oil Properties

As part of its observance of Oil Progress Week Oct. 14-20, the Tri-State Division of the Sohio Pipe Line Co. yesterday conducted a tour of its properties in southern Illinois and Indiana for newsmen and others.

The group was instructed in the basic steps of pumping oil from the ground to its transfer to one of the company's major oil refineries in Ohio.

Visited were the company's installations at Mt. Vernon, Ind., Grayville, Ill., and Albion, Ill.

The company's Tri-State division sends 100,000 barrels of oil through its pipes every day to Toledo, Cleveland, Lima and Cincinnati refineries in Ohio. There is a total of 1,670 miles of pipe in 25 Illinois counties, including Saline, five counties in Kentucky and three counties in Indiana.

At the H. K. Hale lease six miles west of New Haven on Illinois Route 141, a field gauger demonstrated the testing of a tank of oil. Sohio sends out these gaugers to make sure the oil doesn't contain water or other impurities before purchasing it and shipping it through its pipelines.

John Lee, supervisor at Clay City, T. C. Johnson, supervisor at Norris City, and Bob McKechnie, supervisor at Grayville, believe that modern recovery methods of fracturing and water flooding are making possible the great strides in Tri-State production.

## Wayne Morris is Named Sec'y Music By State Baptists

Wayne Morris, Minister of Music and Education of the First Baptist church of Leesburg, Fla., has been elected to the position of Secretary of Music for the Illinois Baptist State association.

Mr. Morris has announced his acceptance of the position and will begin his new responsibilities Nov. 1, according to an announcement by Executive Secretary, Noel M. Taylor.

A native of Anna, Ill., he is a graduate of the Southern Illinois University from which he received a Bachelor of Education degree with a major in music. He did further work in music in the University of Michigan, in the University of Iowa and in Texas Christian University where he received the degree of Master of Music education in 1952. He is also a graduate of the Southwestern Baptist Theological Seminary where in 1952 he received the degree of Master of Religious Education.

Mrs. Morris is a native of Pinckneyville. The Morrises have three sons, ages 13, 7 and 4.

Mr. Morris succeeds Professor Eugene Quinn who occupied the position of Secretary of Music for the State of Illinois for the past nine years. Professor Quinn recently resigned to accept a similar position in Kentucky and to pursue his studies in the Southern Baptist Theological Seminary toward a doctor's degree in music.

## Hugh Clary, Former Resident, Dies at Long Beach, Calif.

Hugh Clary, formerly of Harrisburg, died Tuesday in St. Mary's hospital, Long Beach, Calif. He had recently undergone an operation for cancer of the spine.

He and his wife and a son and daughter had resided in Long Beach for ten years. He leaves three brothers, Bill Clary, Cleveland, Ohio, Dallas and Frank Clary, Harrisburg, and two aunts, who reside in Harrisburg, Mrs. Maud Waite, and Mrs. Flora Pierson.

## Queen Elizabeth Pulls Switch to Send Power from British A-Plant

CALDER HALL, England — Queen Elizabeth II pulled a switch today that sent electricity coursing throughout Britain from the world's first full-sized atomic plant.

The ceremony unleashed a force of 132,000 volts into nationwide transmission lines from nuclear-powered generators that eventually will produce almost 100,000 kilowatts.

## New Well Has Ample Water for Equality's Needs

"There is more than enough water for our needs," declared Phillip DeVos, president of the Equality Board of Trustees, Tuesday in discussing the well recently drilled for Equality's water supply.

Pump tests were completed Tuesday afternoon and over a 20 hour period water was pumped at a rate of 145 gallons per minute without lowering the water level in the stand pipe. And 100 gallons per minute will take care of Equality's needs, it is said.

The pump tests were completed with a representative of the state health department present and it is said the state man was more than satisfied with the water supply.

The well, drilled by Quentin Richey of Carrier Mills, is located near Junction, about four miles from the present pumping station.

Plans call for the awarding of contracts for the installing of pumps and laying of pipe from the new well within the next week, Mr. DeVos stated Tuesday afternoon.

## Nations Must Lay Foundations for World Peace, Dr. Jones Tells Kiwanis

The time has come when nations must lay the foundations of world peace, or they will be annihilated, Dr. Paul Jones told members of the Kiwanis club last night at the Masonic temple.

Dr. Jones, of Hillsboro, Ohio, is evangelist for revival services being held at the First Christian church. The Rev. Glen Daugherty, pastor of the church, was program chairman for the meeting, and Wallace Gardner, singer for the revival, also was a special guest.

Dr. Jones pictured the world today as torn asunder worldwide, nationally and individually.

He asked, "Are we continually to live in a civilization where man's inhumanity to man will bring sadness to millions?"

He told of Isaiah's prophecy 2,600 years ago, who said the day will come when swords will be beaten into plowshares, spears moulded into pruning hooks and man will study war no more.

He stated Isaiah died for the dream of peace; Christ died on the cross for the cause of peace; and President Woodrow Wilson, also was a dreamer for peace.

"In their day, the dream of peace was considered an utter impossibility and their dreams were fantastic," Dr. Jones stated.

A few dozen tons of uranium per year being doing the work of 56 tons of coal an hour at the pioneer Calder Hall electricity plant of the British Atomic Energy Authority.

### Supplies Towns

Calder Hall supplies towns and cities from two atomic piles which act as "furnaces" to produce steam and drive four steam turbines of the same sort as any modern conventional power plant.

Though atomic power has become a positive building force rather than a force of destruction, the sword lies next to the plowshare at Calder Hall.

A quarter of a mile away Britain's Wind Scale atomic weapons plant turns the "ashes" of Calder Hall into atomic bombs.

### Miniature Atomic Cloud

On a chill fall morning when there is no wind, a realistic miniature of an atomic cloud—but this time of steam—hovers over the giant barrel-like condensers which convert the used steam from the plant back into water.

Today was the formal opening of Calder Hall, although its first reactor had been carrying on the atomic chain reaction for several months. Power from one turbine has actually kept the Wind Scale plant in operation.

Today the Queen cut the British state operated high tension network into the plant and 10,000 watts poured into the wires which cover the country.

Next spring a second reactor will come into full operation and Calder Hall will be turning out some 92,000 kilowatts.

## 1,000 Pounds of Meat Lost in Fire

Approximately 1,000 pounds of meat was lost last night at the Smith Packing Co. by a fire which also damaged the smokehouse.

The fire, which started when grease caught fire in the smokehouse, was confined to that part of the building.

Both fire trucks went to the fire when the call was received at 8:30. However, only one truck was used in combatting the blaze.

## U. S. Income Up At Record Rate

WASHINGTON — The national income rose to a record annual rate in the second quarter of this year.

The government Tuesday night reported the record increase occurred despite a slump in automobile sales and farm earnings.

It also disclosed that industrial production in September climbed back up to last December's record rate as a result of sharp increases in steel production and iron ore output.

Government economists estimated today that industrial production will set a new record this month and should continue rising for the rest of the year.

A Commerce Department survey showed that combined rate for wages, salaries, corporate profits, rents, interest and farm income in the April-May-June period rose \$3,800,000,000 or 1 per cent, over the first quarter.

If continued for a full year, this would amount to a record \$338,700,000,000, compared with \$324,000,000,000 last year. The second quarter rate was up \$16,800,000,000 over the corresponding period of 1955, an increase of 5 per cent.

Higher wages and salaries were mainly responsible for the upswing.

## Mrs. Wheeler Irvin Of Near Broughton Dies at Eldorado

Mrs. Roxie Irvin, 71, wife of Wheeler Irvin who resides four miles west of Broughton, died Tuesday at 12:15 p. m. in the Ferrell hospital.

Besides her husband she is survived by the following: Six children, Mrs. Milton Cain, Golconda, Mrs. Tommy English, McLeansboro, Claud Irvin at home, Eugene Irvin, Urbana, Max Irvin, Englewood, N. J., and Joe Irvin, Broughton; two half sisters Mrs. Lawrence Beard, Mt. Vernon, Mrs. Anna Williams West Frankfort; a half brother Nagley Williams, West Frankfort; two step-sisters, Mrs. Henry Eldridge, West Frankfort, and Mrs. Ed Douglas of Walpole; 10 grandchildren and three great-grandchildren.

The body will lie in state at the Eldorado funeral home until the service which is Thursday at 2 p. m. at the Hickory Hill Baptist church near Broughton. Burial will be in the adjacent cemetery with Rev. John B. Maulding officiating.

## Orders Draft of Detailed Reply To Stevenson

Dulles, Strauss, Wilson Asked to Prepare Paper

SEATTLE, Wash. — President Eisenhower will give out a "government paper" next week replying in detail to Democratic presidential nominee Adlai E. Stevenson's statements on H-bomb tests and other atomic policies.

White House Press Secretary James C. Hagerty told newsmen today Mr. Eisenhower felt that such a reply is necessary because Stevenson in a nationwide televised speech in Chicago Monday night made "what we believe were some rather extraordinary statements" in this field.

Mr. Eisenhower telephoned Secretary of State John Foster Dulles about 7 a. m. PST and discussed the atomic issue and the Suez situation with him.

Mr. Eisenhower asked that Dulles, Chairman Lewis L. Strauss of the Atomic Energy Commission, Defense Secretary Charles E. Wilson and other administration experts prepare "the complete history in this field."

Stevenson charged in his Chicago speech that the Eisenhower administration had "distorted" his proposal for ending H-bomb tests.

He said a single H-bomb already was powerful enough to destroy the world's largest city and the explosion of nuclear bombs was pumping into the atmosphere a dangerous poison, strontium 90, which eventually might become concentrated enough to harm all the world and generation yet unborn.

The Democratic nominee pledged to go any place and confer at any level to halt large-scale nuclear testing.

Mr. Eisenhower today started three days of on-the-scene campaigning for the Pacific Coast states' 47 presidential electoral votes and three Senate seats.

## Salvation Army Band to Aid Tag Day Drive for Funds

The Salvation Army will have a Tag Day in Harrisburg Saturday to help with the annual drive for funds and a band from St. Louis will be here and at Eldorado to aid in Saturday events.

The Salvation Army's Tower Grove band, directed by John Patterson, formerly of Eldorado, will play on the square at 10 a. m. and again in the afternoon while the tags are being sold. Girls from the Hi Tri organization at Harrisburg high school will sell the tags from 10 a. m. to 4:30 p. m.

The 25-piece band also will play during a Penny Pitch at Eldorado during the afternoon and will present a concert at 7 p. m. Saturday in the old gym at the high school, to which the public is invited.

With a goal of \$5,000, the latest figure on the drive is \$1,734. Lt. Mildred Wallace reported this morning.

Mrs. John Utter then presented George Parks who introduced the Creal Springs Teenagers, a square dance group, who provided a gala evening of square dancing. Mrs. Eugene Neihaus received a prize for being voted the best square dancer from the chapters.

A game of pitching horseshoes was entered into by the rushees and Miss Carol Odle won first

prize and Miss Cleta Albright won second prize. Others winning prizes for the various games were Mesdames Gordon Cain, James Johnson, Douglas Ewell, James Stricklin, Fred Moore and William Burroughs.

Members of the social committee in addition to the hostess were Mesdames Victor Humm, John Utter, Robert Dorris and Earl Clark.

Mrs. Eunice Reynolds is still at the home of her daughter and no visitors are permitted due to her nervous condition.

"Always a Better Deal"

## Carrier Mills Register

Kenneth Hart, Correspondent

### Woman's Club Has Program On American Citizenship

The Carrier Mills Woman's club met recently in the lower rooms of the Masonic temple.

The meeting was opened by the president, Mrs. Harry L. Fife. A song, "God Bless America," was led by Pauline Thornton, accompanied by Mrs. Warren Jennings at the piano.

Mrs. George Campbell gave the Pledge of Allegiance and Mrs. Bill Henson gave the meditation, choosing portions of the 13th chapter of Romans and the 11th chapter of Proverbs. Mrs. Henson also led in prayer.

Minutes of the previous meeting were read by the recording secretary, Mrs. George Whitney. The treasurer's report was given by Mrs. Hugh Miller. Corresponding secretary, Mrs. Cressie Holmes, read the communications.

Plans were made for several of the club members to attend the county meeting and potluck supper held Tuesday, Oct. 9, at Eldorado.

Two new members were welcomed into the club, Mrs. John Austin and Mrs. Harry Melzer.

Mrs. Jack Coats was chairman of the program and gave a most interesting talk on "American Citizenship." Pauline Thornton sang a solo, "America the Beautiful," accompanied by Mrs. Warren Jennings.

Officers present were Mrs. Harry L. Fife, president; Mrs. Loren P. Dallas, first vice president; Mrs. Warren Jennings, second vice president; Mrs. Hugh Miller, treasurer; Mrs. George Whitney, recording secretary; Mrs. Cressie Holmes, corresponding secretary.

Refreshments of open faced sandwiches, coffee and Halloween candies as favors were served by Mrs. Clara Campbell, Miss Carrie Wasson, Mrs. Aud Dallas and Mrs. Ed Wallace.

The next meeting will be Nov. 12. Guest speaker will be Mrs. J. A. Musgrave of Harrisburg who has returned recently from a tour of Europe. Mrs. Musgrave will speak on "International Affairs."

### Mrs. Elsie Lea Ammon Entertains Gaiety Club

Mrs. Elsie Lea Ammon entertained the members of the Gaiety club Wednesday evening at Sanny's cafe.

Mrs. Opal Santy and Mrs. Leanna Austin each received an anniversary gift from their Gaiety Pals and Mrs. Aline Hart received a birthday gift from her Gaiety Pal.

During the business session the club voted to contribute \$5 to Teen Town.

Games were played and prizes awarded to Alma Gene Van Hoy, Muriel Thomas, Lucille Russell, Aline Hart, Elsie King, Opal Santy and the grand prize was awarded to Lucille Russell.

Delicious refreshments of ice cream topped with strawberries, angel food cake and coffee were served to Leanna Austin, Muriel Thomas, Pearl Field, Alma Gene Van Hoy and daughter, Debbie, Elsie King, Lucille Russell, Opal Santy, Aline Hart, Bea Wible and the hostess.

The next meeting will be a Halloween party Oct. 24 at the home of Pearl Field.

### Home Bureau Unit Meets With Wilma Swan

Eight regular members and three guests of the Carrier Mills Home Bureau unit met Oct. 10 at the home of Wilma Swan.

Roll call was answered with "The month I'd like to be hostess in 1957."

Chairman, Pete Holmes, read a letter from home office, stating Christmas decoration lesson was open to all members and that the date has been changed to Nov. 15. A food school will be held in Eldorado Nov. 29.

Sceva Rodocker gave the major lesson "Fibers, Fabrics and Finishes." Mary Tanner conducted Halloween games and prizes were won by Juanita Rodocker and Ann Ritter.

Refreshments were served to Hilda Dalton, Genevieve Pankey, Merle Nolen, Juanita Rodocker, Selma Nolen, Mallie Parks, Pete Holmes, Ann Ritter, Mary Tanner, Sceva Rodocker, and the hostess, Wilma Swan.

### Gayettes Meet At Home of Norma Pyle

The Gayettes met Friday at the home of Norma Pyle.

Minutes were read and roll call answered by payment of dues. The next meeting will be a wiener roast at Carrier Mills park Oct. 19. Mystery Pal names will be drawn at that time.

Games were played and prizes won by Kathleen Bynum, Edna Dunn and Wanda Robinson. The door prize was won by Edna Dunn.

Refreshments of sandwiches, potato chips candy and Cokes were served to the following: Faye Prather, Greta Hill, Jenny Gowins, Wanda Robinson, Dana Overstreet, Carolyn Capel, Kathleen Bynum, Edna Dunn, and the

hostess, Norma Pyle and daughter, Angela.

Mr. and Mrs. Charles Chase Jr. and children, Terry, Gary and Jan of Evansville, Ind., Mr. and Mrs. Glendall Chase and son, Freddie, of Paducah, Ky., were week end guests of their parents, Mr. and Mrs. Jade Chase of Carrier Mills.

Mr. and Mrs. Cyril Abercrombie and Mrs. Emma Hack of Cairo and Mrs. Nora Bass of Harrisburg visited Mr. and Mrs. Cleo Holmes of Carrier Mills last week end.

Mr. and Mrs. Carl Murphy and sons of Carrier Mills, Mr. and Mrs. Clyde Murphy and children of Stonefort visited their parents, Mr. and Mrs. Ott Murphy Sunday.

Mrs. Edna Johnson of Carrier Mills visited her husband, Ernest "Pinch" Johnson who has been a patient at the T. B. Sanatorium in Mt. Vernon for several weeks. He will undergo surgery at the Good Samaritan hospital in Mt. Vernon Friday at 8 a. m.

### Second Family Night Program, Dinner Tonight At Presbyterian Church

The second Family Night Stewardship program and dinner at the First Presbyterian church will be held this evening at 6 o'clock.

Following the dinner the Stewardship lesson will be given by Rev. William Burroughs, church pastor. The lesson topic is "Stewardship of Time."

At the first meeting, held last week, approximately 100 were in attendance. All members and friends of the church are invited.

### Revival to Begin At Galatia Oct. 22

A revival meeting will begin Oct. 22 at the First Methodist church in Galatia and continue through Nov. 4.

Rev. Gerald Gulley will be evangelist and Rev. Roy Hudson, pastor, will be song leader.

Services will begin each evening at 7. Everyone cordially invited.

## Offers Rules for Wrapping and Mailing Packages

Postmaster A. M. Hetherington stated today that it will soon be time to send Christmas packages, especially to servicemen overseas, and offered several simple rules to follow so that one's package will be mailed and delivered without interference.

Used corrugated boxes may be cut down to fit one's need, he said. Other rules are as follows: use heavy wrapping paper, large enough for overlap; fold ends tightly—secure with tape or twine; keep paper and twine taut at all times; use excelsior, crushed paper, etc., to protect china, glassware and pictures; measure girth and length; put return address on all parcels; for combination letter with package mailing attach stamp for letter to outside of package and write on outside "letter enclosed."

He stated that it was necessary for one to print or write clearly and to use the city zone number to expedite delivery. Persons are asked to consult the window clerk for weight and size limits before wrapping large packages.

Chick Ewell and son, Jerry, Sunday.

Mr. and Mrs. Milt Conway spent the week end with Mr. and Mrs. W. M. Wright of Evansville, Ind.

Kim Osman has been visiting her grandparents, Mr. and Mrs. Loren Osman, the past two weeks.

Lawrence Lambert entered veterans hospital at Marion recently for observation.

## Safe Driving Program at Carrier Mills High

A safe driving program is being co-sponsored by the Carrier Mills Community high school and the Mutual Casualty company Thursday, starting at 1:30 p. m., it has been announced by CMCHS Principal Warren Jennings.

The program will consist of a lecture stressing safety measures, followed by demonstrations with a specially equipped automobile.

Tests to determine reaction and braking will be conducted with the automobile travelling at three separate speeds — 20, 30 and 40 miles per hour. There also will be a demonstration on correct and incorrect ways of turning a car around.

To illustrate reaction and braking, guns will be fired into the street pavement that will mark an "X" in paint.

The first shot will be fired by an official of the testing program as a signal to the driver to apply the brakes. The second shot will be discharged automatically when the driver applies the brakes—this tests reaction—and the third shot is fired automatically when the automobile comes to a complete stop—this tests brakes. The distance between the first "X" and the third "X" will give a graphic illustration of the distance an auto-

mobile travels at various speeds after the driver knows the car should be brought to a stop.

The lecture on safe driving practices and procedures will be held

at the high school gymnasium, starting at 1:30 p. m. and the driving demonstration will be on Washington street, east of the grade school, in front of the old city park.

Members of the high school faculty and student body will participate in the demonstrations and the public is invited and urged to attend.

## Bell Threatens to Pull Plug on Radio Equipment of Pro Coaches

PHILADELPHIA (AP)—The "Rogers" boys of the football field were warned today by National Football League Commissioner Bert Bell that he might jam their wave lengths if their space cadet antics become objectionable.

Bell left little doubt that he wasn't pleased by the hassles cropping up already in the short season over the use of player helmets with built in short wave head sets for receiving instructions from coaches.

The hassles included a New York Giants' claim they monitored the secret wave lengths of the Cleveland Browns, didn't even need a codebook to decipher the plays and upset the defending champions. Then, there were the bleats of the Los Angeles Rams that they weren't given the equipment to operate their broadcasts from bench to backfield.

### No Place in Football

"In my opinion," Bell said, "those things don't belong in football. Of course, the rules permit coaching from the sideline, and that's coaching."

"I repeat, that's my opinion. They don't belong. But if there's any change to be made in the

rules, that's up to the owners at the next league meeting."

But Bell left hanging his threat to pull the plug on the radio equipment if the public objects to the use of the air except for forward passes in the stadiums of the league.

"If the practice brings discredit to the game, if it develops into a fiasco, if it becomes objectionable and if the people who pay the freight object, I would say then that it is detrimental to football," Bell said.

"I'll take action," he warned.

## 1,510 Traffic Deaths In Illinois First Nine Months of 1956

SPRINGFIELD (AP)—Traffic accidents killed 1,510 persons in Illinois in the first nine months of 1956, an increase of slightly more than 1 per cent over the same period last year, the Public Works and Buildings Department reported today.

September fatalities totaled 178, a decrease of 4 per cent from the same month last year.

There were 1,491 traffic deaths in the first nine months of 1955, and 186 deaths in September, 1955.

### COLEMAN TRAINING FOR OLYMPICS

CARBONDALE, Ill. — Former Southern Illinois University track star Phil Coleman is now training in California for the Australian Olympics next month.

Coleman, who will represent the United States in the 3,000-meter steeplechase, has been training on the SIU track and a nearby golf course.

In California, Coleman will be working under Jim Kelley, head track coach at the University of Minnesota. The United States' 60-man track squad will leave for Australia Nov. 6, giving them two weeks to finish their training before the Olympic opening.

Coleman will run preliminaries Nov. 27 and if he qualifies will compete in the steeplechase finals Nov. 29. He has been going through two-a-day workouts and feels he is in good condition, but adds that 18 of the approximately 60 entered in the race have better times than his.

Coleman qualified for the Olympics by winning the 3,000-meter steeplechase in a time of 9:00.3 at the U. S. Olympic tryouts in Los Angeles in June.

### DOC LINGLE FUNDS

PASSES \$1,250 MARK

CARBONDALE, Ill.—A drive to send Southern Illinois University track coach Leland P. (Doc) Lingle to the November Olympics is now over the \$1,250 mark.

The drive was started last month after a former SIU runner, Phil Coleman, qualified for the Olympics. Lingle has been head track coach at SIU for the past 30 years.

Goal for the drive is \$1,600. The SIU Alumni Service is serving as a collection agency for the fund.

CARBONDALE, Ill.—Southern Illinois University's Junior Varsity squad will try to go above the 500 mark as it clashes with Eastern Illinois' "B" team at Charleston Thursday afternoon.

SIU lost to Washington University's Jayvees, 13-7, last week after edging Eastern, 13-6, in the season opener.

CARBONDALE, Ill.—More than 80 women students are now taking part in the Women's Athletic Association fall sports program, which is featuring hockey, tennis, modern dance, and synchronized swimming.

The activities, which are held Monday through Thursday of each week, will continue through December.

CARBONDALE, Ill.—All types of work, ranging from washing cars to baby sitting and ironing, will be offered to Carbondale residents as Southern Illinois University's Women's Physical Education Professional Club holds a money-raising work day here Nov. 3.

CARBONDALE, Ill. — For the first time, co-recreational swimming is being offered to Southern Illinois University students at the university pool each Sunday afternoon.

Suits and towels are furnished.

CARBONDALE, Ill.—John Gelch, Sesser, has been named Southern Illinois University football captain for the SIU-Eastern Michigan game here Saturday night, Oct. 20.

SIU's regular captain, Bill Spratt, Salem, is not able to play this season because of an injury.

## Buckeye's Parker Named UP Lineman of Week

COLUMBUS, Ohio (AP)—Jim Parker, the Goliath guard with the Ohio State Buckeyes, became a papa last week and he really celebrated.

The celebration consisted of blasting big holes in the Illinois line at Champaign Saturday afternoon.

Parker, like all expectant papas, was a bit jittery and didn't play up to snuff until last week. But when Mrs. Parker presented him with a youngster, big Jim went out and did himself proud.

Parker's outstanding play in Ohio's 26-6 triumph over the fighting Illini won him the United Press' mid-west lineman of the week honors.

Through the Nebraska and Stanford games, the coaches were worried about big Jim's play.

But after watching his performance last week, they're fretting no more.

The huge 260 pound guard made a shambles of the Illinois line and even made Coach Woody Hayes sit up and take note.

## Stanky Dropped as Minneapolis Manager

FAIRHOPE, Ala. (AP)—Eddie Stanky is down today but don't be surprised if he bounces right back up into the major leagues.

The fiery Stanky was still "shocked" over the New York Giants' action of dropping him as manager of their Minneapolis farm club in the American Association but admitted he already "has received two managerial offers." Stanky refused to say who made the offers but he hinted that at least one was from a big league team.

## Five Lettermen, Junior Varsity Players Among SIU Cage Candidates

CARBONDALE, Ill.—Five lettermen plus several Junior Varsity players and a host of freshmen were among the more than 60 players who turned out for the opening of cage drills at Southern Illinois University this week (Oct. 15).

A lack of height, but plenty of speed may feature this year's squad. Tallest returning letterman is 6-5 Larry Whitlock, Mt. Vernon, who is the top prospect for the starting center position this year.

Other lettermen turning out for beginning drills were captain Gordon Lambert (6-3), Marion; Seymour Bryson (6-4), Quincy; Warren Talley (6-3), Pinckneyville; and Robert Welch (6-1), Centralia.

Another letterman, Marion Rushing (6-3), Pinckneyville, is expected to report at the end of the football season.

Only letterman not returning from last year's team are guards Richard Blythe, Hammond, Ind., and Joe Johnson, Mt. Vernon; and 6-6 center Gus Doss, East St. Louis.

Blythe and Johnson graduated while Doss, who would have been scholastically ineligible, has transferred to another college.

Two of the best incoming prospects are Marvin Jones, 6-3 freshman from Lincoln high school of East St. Louis, and a returning serviceman, Frank Borgsmiller, 6-3 sophomore from Murphysboro. The tallest newcomer is Robert Holz, 6-5, a transfer student from Illinois Normal.

Among those returning from last year's team are Arlen Hill (6-2), Pinckneyville; Sammy Duane (6-2), Galatia; Garrison Newsom (6-0), Shawneetown; Charles Wade (6-1), Greggville; Cleveland Hammonds (6-1), Alton; Clifford Christian (6-4), Patoka; Don McGee (6-5), Chester; Tom Hallam (6-3), Albion; Richard Hughes (6-2), Shawnee; Joe Gonzales (5-10), Granite City; Don Curry, Aurora; and Don Dudacek (6-2), Edwardsville.

Among the most promising newcomers are two southern Illinois guards, Richard (Icky) Jones (5-8), Herrin, and Don Griffin (5-7), West Frankfort.

"Considering their size," said Holder, "these two were among the best high school guards in the state last year."

"The big question is not their height but whether they can get their shots off quick enough against tall opponents," he added. "Both have the advantage of being shift."

If Borgsmiller and Marvin Jones break into the top 10 as forwards, Holder said he may shift Bryson, Talley, and Welch to guard positions.

## Fatally Crushed By Elevator

CAMP POINT, Ill. (AP)—Everett Gipton, 70, manager of a chick hatchery here, was killed today when an elevator in the hatchery building broke loose and crushed him.

Police said Gipton apparently was in the basement of the hatchery at the elevator shaft attempting to direct the elevator to the basement when it broke loose at the third floor level and fell on top of him.

## Bull Dogs Play At Herrin Friday Night; Two Tied for Last Place

### Each Team Has Three Losses And No Victories

This time last year the Harrisburg Bull Dogs and the Herrin Tigers were the high and the mighty in the South Seven conference football race. Neither had lost a game and the team that won the upcoming contest between the two was figured to be the champ.

Herrin won and went on to take the title.

This year things are in reverse. Instead of being contenders, the two teams are tied for last place, each with three losses and no victories. Under new coach Clyde Lee the Tigers, who like Harrisburg lost most of their veterans, are having a long, hard season.

So what Friday night at Herrin this year will bring remains to be seen. The locals return to Herrin for a second straight football year because of a revision in the South Seven football schedule since last season.

In conference play, Herrin has produced a better offense and a poorer defense than the Bull Dogs. The Tigers have scored 64 points to but 14 for the locals, but have had 117 points scored against them compared with 83 against Harrisburg. Last week Herrin dropped a 26-19 decision to Benton while Harrisburg was bowing to Centralia, 32 to 0.

A good conference game is on tap at Marion Friday night, when

the Mt. Vernon Rams one of the three leaders, drop in for a contest. Mt. Vernon, Centralia and Benton each has a mark of two wins, no losses and one tie with Marion close behind with two wins, no losses and one tie with "Marion close behind with two wins and a loss."

The other conference teams go outside the conference, Benton traveling to Cairo, West Frankfort to Eldorado and Centralia playing host to Salem.

Eldorado with a 5-0 mark will try to keep the victory string intact against the Red Birds.

Other games this week find Anna-Jonesboro at Metropolis, Johnston City at McLeansboro, Christopher at Carterville, Zeigler at Elkhart, Sesser at University school, Pinckneyville at Carbon-dale, Chester at Du Quoin, Murphysboro at Sparta.

The South Seven standings:

Team	W	L	T
Centralia	2	0	1
Mt. Vernon	2	0	1
Benton	2	0	1
Marion	2	1	0
W. Frankfort	0	1	1
Harrisburg	0	3	0
Herrin	0	3	0

## Bud Wilkinson Of Oklahoma is Coach of Week

NORMAN, Okla. (AP)—The way things are going, his first-stringers may have trouble winning their varsity letters because they're on the bench most of the time.

And he says he won't really know how great a football team he has until "we're behind by one touchdown in the final quarter."

That may never happen because his helmeted legions overpower every team they face.

He's the United Press Coach of the Week, Bud Wilkinson of those unbeaten, untied, unscored upon, and still unextended Oklahoma Sooners.

It wasn't simply that they swamped a well-rated Texas team last Saturday, 45-0, because they were strong favorites. It was because Wilkinson's warriors were close to perfection in every phase of the game.

They stopped the Longhorns like four-strand barbed wire fence whenever they had the ball. Texas could not penetrate beyond the Oklahoma 24. The Sooners intercepted five passes and recovered two fumbles. They piled up 369 yards rushing and another 133 by passing. They rushed Texas kickers so aggressively the Longhorns had a punting average of only 23.8 yards whereas Oklahoma, which had to kick only twice, had a 55-yard booting average.

## Sooners Making Runaway of Grid Offensive Race

NEW YORK (AP)—Oklahoma's mighty football Sooners are making a record runaway for the major college total offense title.

In the three games they have played so far, the Sooners have averaged 49 points and 477 yards, 406.3 yards by rushing alone, according to statistics released today by the NCAA Service Bureau.

No team is close to Oklahoma in any of those figures but the ones in the runnerup spots are Tennessee, with a 39.7 scoring rate, Texas Christian, with a 44.7 yard total offense average, and Ohio State, with a 33.3 ground attack average.

The Sooners are far in front in every phase of offense except forward passing, a technique they seldom employ and apparently one they don't need.

Washington State led in forward passing offense with 931 yards.
